

# Helping families find a place to call home

One of the most rewarding aspects of being a REALTOR® is helping families find a place to call home.

The REALTORS Care Foundation pursues the same goal through its support of shelter related causes.

REALTORS Care Foundation is asking its members to support the REALTORS® care key program by making a minimum \$25 donation on-line at [www.realtorscareontario.ca](http://www.realtorscareontario.ca) or by fax to 416-445-2466, attention Sharon Lee.

Each REALTORS® care key package comes with a logo key, envelope and note card for you to thank your clients by celebrating their home purchase with a donation in their honour.

Shelter is defined as a refuge, haven or protection that provides or improves quality of life from hunger, the elements, physical/psychological abuse, disabilities and illness.
